Beed by pass, Chh. Sambhajinagar

Driven Computer Science student seeking a Full Stack Web Developer role, proficient in frontend technologies (React, HTML, CSS, JavaScript) and backend frameworks (Node.js, Laravel, PHP). Focused on delivering high-quality web solutions and advancing technical expertise.

### TECHNICAL SKILLS

- Languages:** PHP, JavaScript, HTML5, CSS3, SQL, C, C++  
**Frameworks/Libraries:** Laravel, Bootstrap, jQuery, Blade, Framer  
**Databases:** MySQL, SQLite  
**Web Technologies:** RESTful APIs, AJAX, JSON, MVC, Authentication, Routing  
**Tools/Platforms:** Git, GitHub, XAMPP, Postman, VS Code, Composer, Figma, Framer  
**Core Concepts:** OOP, Debugging, Responsive Design, CRUD, Deployment, Web Hosting, UI/UX Design

### WORK EXPERIENCE

- Full-Stack Web Developer: Intern–Ekatta Innovators LLP** (6-Month Internship) **Feb 2024 - Present**
- Developed dynamic and responsive web applications using PHP, JavaScript, HTML5, CSS3, and SQL, ensuring high performance and cross-browser compatibility.
  - Designed user interfaces following UI/UX standards, integrating RESTful APIs and third-party services to enhance functionality.
  - Implemented secure authentication, managed databases, and deployed scalable web solutions.
- UI/UX Designer Lead Intern: OnMarket** **March 2024 – November 2024**
- Led UI/UX design for digital products and marketing campaigns, ensuring brand consistency and user-centric designs.
  - Managed the graphics team to optimize content creation for social media and marketing assets, aligning design solutions with business goals to boost engagement and brand recognition.

### PROJECT EXPERIENCE

- Netflix Clone:**  
Built a dynamic, responsive web app with TMDB API integration for live content, secure authentication, and a modern React-based UI.
- Personal Portfolio Website:**  
Designed and developed a responsive portfolio website using Figma for UI/UX design and Framer for animations, ensuring a seamless user experience.
- Ticketless Entry System to Monuments and Museum:**  
Engineered a smart ticketless entry solution with QR code-based check-ins, real-time database integration for visitor tracking, and analytics dashboards for monitoring sales and revenue.

### EDUCATION

- B.Tech in Computer Science and Engineering** **2021–2025**  
- at Marathwada institute of Technology
- HSC in PCM** **2018–2021**  
- at Deogiri College

### ADDITIONAL INFORMATION

- Languages:** English, Hindi, Marathi.
- Certifications:** IBM Web Development, UI/UX Design (Udemy), PHP Masterclass
